Once we get to the paradisiacal Tortuga Island we will anchor our boat next to the best points for snorkeling. The volcanic rock reef is surrounded by crystalline waters and home of Angelfish, Porcupine fish, Morays, Needlefish, Spotted Eagle Rays and many more tropical beauties that will make it for you an extraordinary snorkel experience. After the amazing snorkeling experience our captain will take you to the wonderful white sand beach of Tortuga Island where drinks and fruits will be waiting for while the lunch is ready. For lunch our cook serves fresh BBQ fish (tuna fillet now) or chicken, sauteed vegetables with delicious grilled potatoes. After lunch the afternoon will be yours to enjoy. You can go for a hike, a swim, rent a kayak, a banana boat, take a little “siesta”, or just chill at the beach.
