

Site Inspection Hacienda Guachipelin

Karolyn - Cristina

Hey guys!

Last weekend part of Memorable Costa Rica Team were in a site inspection at the region of the Rincón de la Vieja National Park and Hacienda Guachipelín.

It was a time full of adrenaline and adventure!

Dry forest, boiling volcanic river waters, mud bath, horseback riding in an Hacienda, canopy, rappel, canyoning... amazing waterfalls.

Please, do not hesitate to contact me for more details on that trip, I will be really glad to share my experience with you.
