

PRE-TRAVEL

1

All people entering Costa Rica must complete the digital epidemiological form. This is known as the "Health Pass" or "Pase de Salud." Info available in Spanish and English only <https://salud.go.cr>

2

Tourists must obtain a negative PCR-RT coronavirus test. The sample for this test must have been taken at most 72 hours before the flight to Costa Rica.

3

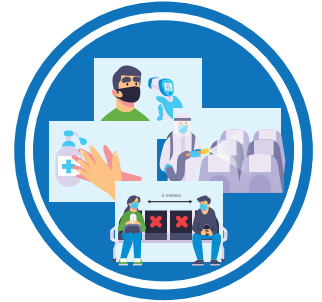

Tourists must purchase travel insurance that covers accommodation in case of quarantine and medical expenses due to COVID-19. This policy can be international or purchased from Costa Rican insurers.

4

Tourists from the United States must demonstrate, via their driver's license and/or state ID, that they live in one of the authorized states.

5

All people must follow the sanitary protocols inside the international airports both for arrivals and departure.

TRAVEL INSURANCE

Two Costa Rican companies sell pre-approved travel insurance plans: INS and SAGICOR. Tourists opting for a foreign policy must demonstrate proof (in English or Spanish) that their policy:

1. Is valid throughout the planned visit to Costa Rica.
2. Covers medical expenses in cases of COVID-19 in Costa Rica, for at least \$50,000 (fifty thousand United States dollars).
3. Includes a minimum coverage of \$2,000 for expenses of extended lodging due to the pandemic.
